1. [REDACTED] At Mr. Elder's request, talked with Martin Swieg of Speaker McCormack's office, asking about the possibility of the Speaker meeting with the Director fifteen minutes ahead of the NSC meeting tomorrow in McGeorge Bundy's office at the White House. Swieg after being informed generally of the purpose of such discussion said he could assure us that the Speaker would be in McGeorge Bundy's office at 2:45. I thanked Mr. Swieg and have advised Elder of the above.

3. [REDACTED] Miss Margaret Kennedy in Senator Jennings Randolph's office inquired if there was any loyalty oath required of a citizen who has travelled to Russia and returned to the U. S. and is desirous of providing information to CIA. I explained the general purpose of our contact offices to receive such information from citizens and stated that there are no real formalities involved and certainly no loyalty oath is either requested or required.
